

An essential tool to  
ensure 5S is sustained  
in your workplace

Cleaning  
stations

# CLEANING STATIONS

Cleaning stations are essential for every 5S programme to ensure your much-needed equipment is exactly where it's needed. Therefore eliminating wasted time and motion searching for missing tools.

- When implemented effectively they are an ideal platform for building a workplace that's engaged with 5S
- Promotes ownership amongst your teams to care for their working environment
- Manufactured to a very high standard due to the demanding industrial environments that many of them are used in

## KEY FEATURES

### Application

- | Wall mounted, free-standing or mobile, optional single or double sided stations
